A Precious Christmas to Share

Christmas is about celebrating with the ones who matter most – your loved ones. It's about sharing laughs over a tantalising turkey, toasting to great memories, and showering them with thoughtful gifts that show you care. Every moment is precious, that's why it's important to treasure the time you spend with family and friends.

To help you create those magical moments, we've handpicked some extra special treats. Whether you're whipping up a delicious dinner with seasonal favourites, filling your home with bright and merry décor or looking for exciting presents to place under the tree, you'll find everything you need right here in our handy Christmas guide.

From all of us at FairPrice, have the merriest Christmas and let the feasting begin!

Fresh Fruit Tip

Keep fruits fresh longer by refrigerating them at the right time and in the right compartment e.g. ripe persimmons, melons and kiwifruits in the low humidity drawer.

Check in-stores for the prices of our fruits/produce. Stocks are subject to seasonal availability.

Roasted Veggies 101

Pick the right veggies

These include broccoli, cauliflower, sweet potato, parsnips and even kale!

Roast broccoli last

Broccoli cooks quickly, so add them to your pan towards the end of the roasting time.

Stir halfway

When your vegetables start to soften, stir them to help them brown evenly.

Season well

Toss vegetables to fully coat them in oil and seasoning to get them nice and crispy.

Frosty Melona Surprise

Serves 1

Ingredients

- 1 can Tiger Radler Lemon
- 2 shots Soju
- 1 stick Melona ice pop

Method

Mix 2-3 shots of Soju and half a can of Tiger Radler Lemon in a glass. Stir with a Melona ice pop till it turns a frosty green and enjoy!

Tip

Add extra soju for a merrier cocktail.

SPRUCE THINGS UP

Light up the room with a little Christmas cheer, fill it with gifts for the ones you hold dear.

Help Fresh Trees Look Their Christmas Best

- ★ Place your tree in a shady spot and avoid direct sunlight to slow down the drying process.
- ★ Check the water levels daily and refill with cool tap water as needed.
- ★ Mist your tree with water to provide extra moisture and prevent the leaves from dropping.
